

ADVISORY SUPPORT SCOPE

giffgaff Refurbished Q4 Campaign

Integrating an earned-first AI search and measurement strategy to prove the commercial value of PR, align with giffgaff's internal search team, and build a live case study for Splendid's evolving proposition.

SCOPE OF WORK

1	Insight & Audit LANGUAGE & RELATIONSHIPS · BRIEF & STRATEGY · INSIGHT, TRACKING & CREATIVE IDEAS Working with Jess to shape and win the brief — including client calls, Q&A sessions, and proposal input. Search behaviour research, baseline AI visibility audit for refurb across ChatGPT, Perplexity & Google AI, prompt cluster mapping, and source gap analysis — feeding directly into the Splendid strategy and creative team to inform the campaign response.	3–4 days £3–4k
2	Strategy & Framework BRIEF & STRATEGY · MEASUREMENT FRAMEWORK CREATION Earned media targeting plan and bespoke measurement framework, developed in collaboration with the Splendid team — providing the strategic layer that connects campaign activity to AI visibility uplift and commercial outcomes.	3 days £3k
3	Ongoing Embed TEAM MENTORING · EMBED & ONGOING Supporting the team through delivery — tracking set-up, tech embedding, dashboard integration, troubleshooting, and digging into what the metrics are telling us. Advising on optimisation off the back of live data, and mentoring the team so they can confidently own the insight, lead client performance conversations, and drive towards agreed outcomes. The team leads; I help them become experts in it.	3 days suggested £3k indicative
